

EU-HYBNET 4th Gaps and Needs Event

Madrid, Spain

9.30-15.30

The EU-HYBNET 4th and final Gaps and Needs event will deliver overall evaluation and conclusions of the past events.

The EU-HYBNET consortium will hold its 4th and final Gaps and Needs (#GN2024) event on 12th of June 2024 in Madrid, Spain!

The forthcoming Gaps and Needs Event is organised by the European Centre of Excellence for Countering Hybrid Threats (Hybrid CoE) and Universidad Rey Juan Carlos (URJC). The event will take place in Madrid in an in-person only format, to which all EU-HYBNET consortium and network members are invited to participate.

The Gaps and Needs Event have been at the core of EU-HYBNET since the past workshops have determined the priority gaps and needs of European practitioners in countering hybrid threats.

Thanks to your contributions, the project will deliver results matching your needs!

Who? The event is open for consortium partners and network members and **URJC students and university staff upon** registration.

When? The event will be held on 12th of June 2024 from 9.30-15.30.

Where? **Venue address, city, country**

Registration: Please, [register here!](#) Deadline tbc

More information: **Event organiser at URJC:**
